ALOHA AND KOMO MAI! The Christian Homeschoolers of Hawaii (CHOH) Board would like to personally invite you to join us for a time of growth and fellowship in the Lord! Our theme this year is **“Preparing a Godly Generation.”** We have a lineup of excellent speakers, as well as workshops that will instruct, exhort, and encourage you in your homeschool journey. You will go home with vision

and greater hope for the future, as well as encouragement to keep going, whether you are new to homeschooling or a veteran. See page 2 for info about our keynote speaker, Steve Scheibner and our featured workshop speaker, Woody Robertson.

ONLINE REGISTRATION Go to the CHOH website to register—easy and convenient. We also have a **referral program** (see p. 3). Register early for great discounts! Invite your friends who may be considering this great adventure we call homeschooling!

EXHIBIT HALL The Exhibit Hall, open only to registered conference attendees, will have mainland exhibitors, as well as local vendors with curricula and educational materials. This gives you an opportunity to actually see and browse through materials only seen in catalogs. The Exhibit Hall and the conference workshops are designed to work together to equip you for a successful homeschooling experience.

EXHIBIT HALL ONLY PASS We will again be offering an Exhibit Hall Only Pass valid Saturday, March 10, from 2:00pm to 4:30pm. Exhibit Hall Only registrants should come to the Exhibit Hall (KUC gym) to check in and receive their pass.

WORKSHOPS Some of the workshops will be aimed at giving you a better understanding of how and why to teach a particular subject. Many of the workshops will also address character building, discipline and family relationships. Some Exhibitor workshops will help you understand how to use the materials available in the Exhibit Hall, with practical demonstrations and hands-on experience.

SHOW AND TELL Homeschool moms will be on hand in the Exhibit Hall to show and tell you about the curriculum they use. This is your opportunity to ask questions of moms who have actually used the curriculum!

SPECIAL TEEN WORKSHOP with FlashPoint STEM See page 2 of conference brochure for more information and how to register.

GRADUATE RECOGNITION CHOH would like to honor our graduates. As we celebrate the graduates of 2018, be encouraged and inspired to press on in your homeschooling journey! - Their oldest child must be age 5 or younger.
- They must be first time attendees to the CHOH conference.
